Humidifier: The product is a humidifier or contains a humidifier. The humidifying effect is achieved through a granulate (sodium polyacrylate). This substance can absorb and release water. Accordingly, the granulate should not be inhaled or swallowed, especially in its dry state, or come into contact with sensitive skin areas such as the eyes, as it would absorb moisture.

The substance is biodegradable and can be composted. Keep out of the reach of children.

Although this product is not subject to labeling requirements, we recommend following the safety advice.

Hygrometer: The hygrometer, supplied separately with the product and removable, is equipped with a button cell battery type LR44. The battery is CE marked in accordance with the EU Batteries Directive.

Safety instructions:

- Do not open batteries
- Do not swallow batteries
- Keep batteries out of the reach of children
- Do not heat batteries
- Do not dispose of batteries in household waste
